See website for t-shirt graphics and to order online.

Orders MUST be placed by Mon, March 9th!

NEW SEASON COMPETITION SCHEDULE

We are already working on our competition schedule for the 09-10 season. While the schedule is not complete, we do have some information we would like to pass along. We will not be attending Jamfest in Indianapolis this year. While it is a great experience, we realize it is a huge commitment of time and money. The fee alone for that competition was more than 1/3 of the total competition fees for Sparks and Flames. We are still planning on the senior team going to UCA Nationals and all teams to the Kalahari. We will keep looking for the other competitive, fun, and responsibly priced competitions for all of our teams.

TRYOUTS

Tryouts will be held the week of March 30th.

The tryout fee is \$25 per child which will be applied toward the annual registration fee.

You may attend one or all tryout dates available for your child's age.

Please fill out the Tryout registration form and return with your payment by March 25th.

WELCOME COACH TROY

Heat Athletics is pleased to announce that Troy Dose will be joining Heat for the upcoming season.

Troy was a college cheerleader and has coached college, high school, and all star cheerleading. Troy's wife Erica was a competitive gymnast and an all star cheer coach. Troy and Erica have two children: 4-year-old Jayden and 1-year-old Tysen. Some of you may have met Troy during his visits to our gym in the last couple of weeks. Now you can feel free to officially welcome him to the HEAT family!

UNIFORMS

We have decided to keep the current uniform for the 2009/10 season. We have gotten a lot of positive comments on our uniforms and feel that the style is still current.
